New words

We wrote this book for women and girls

with **disability**. Read more about **disability**

in our book **New Words**.

Participation

This means to take part in things. Like

- you can go to **school**

- you can **work**

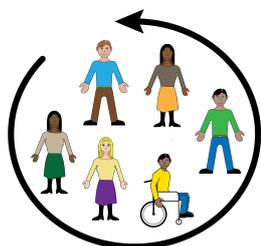

- you can go to **events.**

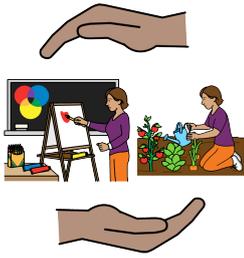

and

• you can vote in **elections**.

It is your **right** to take part.

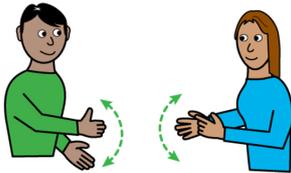

Women and girls with disability have a right to the **help** they need to take part. Like

- information in different ways. This may be

- Easy English
- large writing
- signs.

- a support worker to help.

The Australian Government must support groups run by women with disability

Like

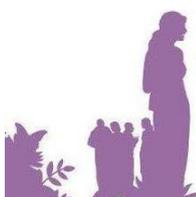

- Women with Disabilities Australia

- Women with Disabilities Victoria

- Women with Disabilities ACT

- Women with Disabilities WA.

The Australian government must also

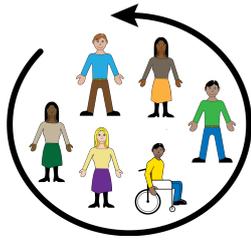

- give information to women and girls with disability about how to take part in things

- give money to help women and girls with disability to **take part** and **be leaders**

- give information to the United Nations about women and girls with disability.

There are international rules that say women and girls with disability have a right to take part. Like

- UN Convention on the Rights of Persons with Disabilities

- International Covenant on Economic, Social and Cultural Rights

- The Australian Government has signed the papers about these rules. The Australian Government must follow these rules.
