- people who see themselves as women.

and

- people who see themselves as

Every person has rights. Like the right

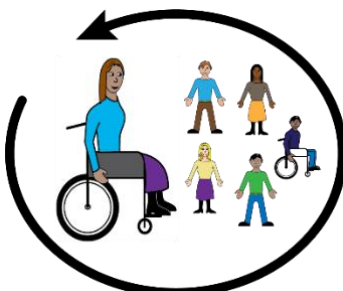

- to be safe from violence

- to go to school

- to make your own choices.

WWDA wants all

women and girls with disability to have the same rights too.

Lots of women and girls have a disability.

We are all over Australia. We live in

- cities
- suburbs

- big towns
- small towns
- farms

- in Aboriginal communities
- other places.

We work with other womens groups.

They work in different places in Australia. Like

- WWDACT

- Women With Disabilities Victoria
- Women With Disabilities WA.

WWDA work with women around the world. Like

- USA
- UK.

We do work with the United Nations too.

We worked with

First Peoples
Disability Network
Australia

- First People's Disability Network Australia

- National Ethnic Disability Alliance

- People with Disability Australia.

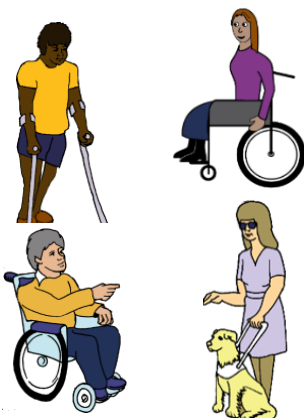

Disabled
People's
Organisations
Australia

We made

Disabled People's Organisations Australia.

We write **DPO** to talk about us all.

The members of DPO work together.
