Bla mela tulkit

Mela noma abum mach lida gat disibiliti
langa Australia.

Bat pipul garrim disibiliti gin be gudwas lida du.

Dey garim saim **raits** leigi pipul gara no disibiliti.

Raits, im rul ba hau pipul gara trit yu:

- raitwei
- en saim laik ebdriwan els.

Mela bin meigim wan tulkit ba saport mowa
wimun, gel, en genda diverse pipul garrim disibiliti
so em gin bi stongwan lida du.

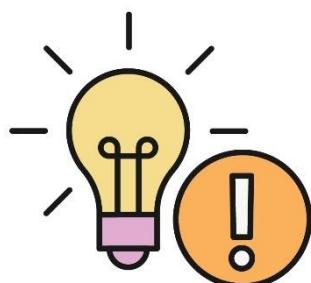

insaid mela tulkit, we della alabat:

- wanim lida

- skil yu gin meigim ba kaming gud lida

- **principle** yu gin folo ba being gud lida.

Principle im portenwan idiya alabat
gin jingabat.

We dela yu weya yu gin gajim sapot du.

Mela bin wek garra wimun, gel en gender diverse
pipul garrim disibiliti ba meigim dijan tulkit.

Wanim lida?

A lida im samwan hu bin:

- jandap ba wanim im bilib

- album en sapot naja lot pipul.

Eniwan gin bi lida.

Sabi laik:

- femili or fren mob

- ba yu ticha or samwan else la yu komyuniti.

Sam skil yu gin bildimap blanga meigim yu gudwan lida

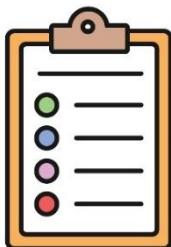

Deya diffrin kain skil yu gin lenim en gaji ba
kaming gudwan lida.

Im rait if yu noma garim ala dis diffrin skil yet.

Dijan lot skil gin min yu sabi:

- ba meigim plen ba rijim yu gol

- jingabat diffrin said ba wanim hepining
or situation

- album pipul bla sabi weya dey strongbala.

Dislot skil also min yu sabi ba:

- irrim na naja pipul idiya en wanim dey tok
strong wei

- bildemap tras gat najalot pipul

- toktok gudwei so najalot pipul brabli sabi
wanim yu tok.

Yu gin toktokbat diffin wei du.

Sabi leig yusim sine languis.

Dislot skil also min yu sabi ba:

- sabi wen yu wrong

- tok riliwan wei en tokap ba wanim yu belib in

- sabi im rait ba jeinjim yu idiya

- en shoim ba yu truwan filing

- bi **konfident**.

wen yu konfident, yu:

- belib in misel
- sabi wanim yu gin duim
- trai nuwan ting.

Dislot skil also min yu sabi ba:

- bi strongbala wan wen im had taim

- keya ba najalot pipul

- album najalot pipul

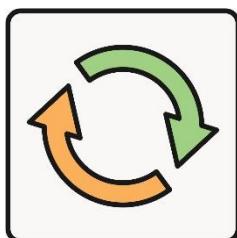

- sapot pipul ba wek thru eni brablem
dey garim.

Principle yu gin bulrum ba being gudwan lida

Dey garrim fibala principle yu should bulrum ba being gudwan lida.

1. Jeinjim idiya ba wanim lida duimbat.

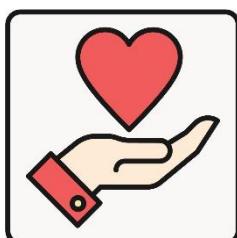

2. Lenim bram, en leigim diffelin idiya en experience.

3. Najing bla blekbela garra no blekbela deya.

4. Album en sapot pipul.

5. Keya ba mijelp en yu komyuniti du.

Mela tok ba mela principle la dislot peij andanith.

Mela bin burem aktibiti ba album yu traiembat
ala principle du.

Yu gara gaji pepa en pen or maiti pencil ba
duim dislot aktibiti.

Yu gin duim dislot aktibiti:

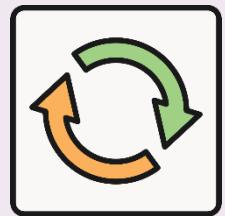

- misel

- or gara najalot pipul.

Principle 1 – Jeinj idiya abat wanim lida duimbat

Mela wandim jeinim hau alabat rigin lida:

- dellim alabat wat dey gara duimbat
- control ebdrijing.

Gudwan lida, sabi hau ich person diffriin.

Maiti dey diffriin leigi:

- bekgraun
- wanim dei bin guthru
- wanim dey jingabat, filimbat en belib.

Gudwan lida sabi hau wekwek gara najalot diffrikain pipul gin meigim tim strongbalawan du.

Actibiti 1: Raitdimdaun abat wen yu misel bin lida.

Dijan actibiti gara album yu jingabat wen yu bin lida.

Raidimdaun yu ansa na alla dijan sentens la naja wan papa.

Sabi laik, yu maiti raidim:

'Ai ema lida wen ai ticham pipul hau du bi strongbalawan.'

Ai em a lida wen ai ticham pipul ba...

Ai em a lida wen ai pujem pipul bla jingabat naja
wei ba im idiya...

Ai em a lida wen ai sapot najalot hau bla...

Ai em a lida wen ai hapi ba wanim najalot
bin duim ba...

Ai ema a lida wen ai sheya...

Ai em a lida wen ai tok tokbat ba
najalot pipul abat...

Ai em a lida wen ai dellibatm pipul ba...

Ai em a lida dumaji ai em rili gud ba...

Ai em a lida dumaji main strongwan skil im....

Actibiti 2: Lenim ba yu skil

Dijan actibiti gara album yu lenim ba yu ronwan lida skil.

Yu gin faindem lis ba skil yu gin bildemap ba bi gudwan lida la peij **9**.

Faindim skil yu bin duim bifo en raidimdaun wen yu bin yujim.

Im rait if yu noma gara stori ba eolot skil.

En im album yu sabi wijan skil yu nid ba abum.

Principle 2 – Rispek diffrin kain en wanim dey bin guthru

Wen yu **value** samjing, yu rigin im brabli portenwan.

Gud wan lida im value (rispek) en laigim ala kain wei ebdribodi diffrin.

Dijan min ala diffrin stori ba ebdribadi laif du.

Actibiti 1: Sheya stori blanga yu laif

Dijan actibiti gara album yu len moa hau blanga:

- yu

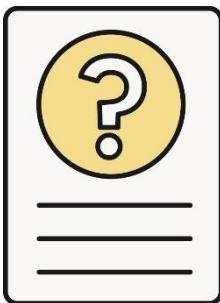

- najalot pipul.

Yu gin dellim yu stori eni wie yu wandim.

Sabi yu maiti:

- raidimdaun stori
- meigim pikcha by drawim or yujim foto
- meigim shotwan bidiyo.

Mela bin raidimdaun sam kwestjin andanith ba album yu meigim yu stori.

Wanim ala gud ting bin hepин na yu laif?

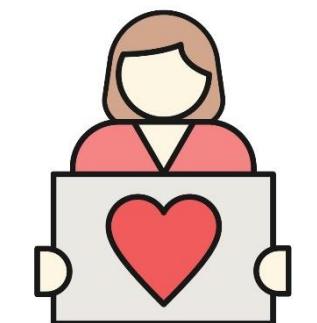

Wanim ala nogud ting bin hepин na yu laif?

Hu ala portenwan pipul la yu laif?

Watfo datlot portenwan?

Wanim yu rili laigembat?

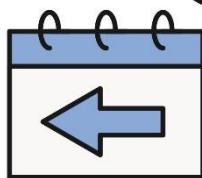

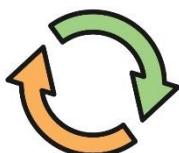

Hau dijan ting yu leigim bin jeinj yu laif?

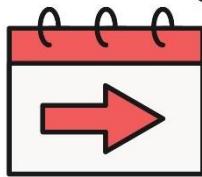

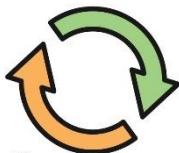

Wanim ala gudwan ting yu bin duimbat?

Wanim rili meigim yu praud wan?

Hau yu laif diffrin na bram bifo?

Hau yor laif garra bi diffrin langa fucha?

Hau yu gara meigim dis hepин?

Principle 3 – Najing abat blekbela if no blekbela jandap jeya du

Gudwan lida sapot en ledim ebdribadi abum say ba
disishin ba der ronwan laif.

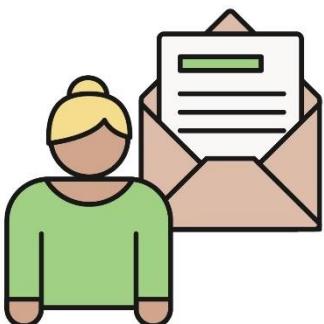

Dijan min pipul hu yujim sapot ba meigim disishin.

Actibiti 1 – Raidim leda langa misel

Dijan actibit gara album yu jingabat hau yu gin abum say ba eni disishin gara du gat yu.

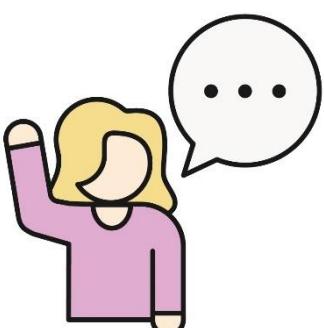

Yu gin raidim leta langa misel abat hau yu gin abum yu say na yu ronwan komyuniti.

Yu gin:

- ridum dijan leta neks yiya

- jingabat hau yu bin tok la disishin gara du gat yu.

Actibiti 2 – Hau yu gin buremin en sapot inclusion

Inclusion min alabat – ebdribadi:

- ba alabat, nobadi git lef aut
- gin taik pat na melabat komuniti.

Ebdribadi garim rait ba bi included na jeya komyuniti.

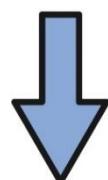

Jingabat wei ba hau yu bin sapot pipul na yu komyuniti ba meigi dem fil included.

Dis min wei ba hau yu bin sapot inclusion ba miselp du.

Raidimdaun detlot stori.

Mela abum sam idiya ba album yu stat.

Ai bin faindim wei ba sapotim misel en najalot pipul.

Ai bin dalim pipul brabli gudwei hau ai nidim jeya sapot.

Ai bin joinim gara naja pipul ba lenim abat jeya idiya en wanim jey rigin.

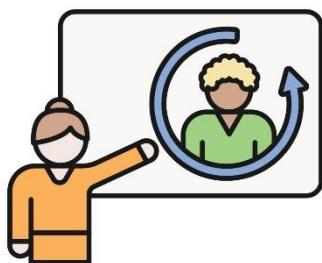

Ai bin gu na wan komyuniti grup ba:

- sheyim main idiya
- lijin na samwan els idiya en irrim.

Ai bin dalim orginisashin hau dey gin moa beda
gibit strongwan sapot ba inclusion.

Ai bin gu in sam ting en ai bin dalim pipul ba
jingabat inclusion ba pipul garrim disibiliti.

Ai bin sheya meain ronwan stori gat disibiliti ba
album pipul sabi hau jey gin sapot inclusion.

Ai bin gud wan persin ba joim naja pipul how to bi
en duimbat lagajat.

Principle 4 – Bekap en sapot pipul

Gudwan lida gin luginat en sabi ala strength sambala garim na.

Dey gin luginat strength pipul gin bildimap gara rait wan trening en sapot.

Gudwan lida album pipul lenim hau bla:

- luginat najalot pipul strength

- wek wek mijamet du ba yujim diffrin strength.

Actibiti 1 – Lenim abat naja pipul strength

Dijan actibiti gara joim yu hau bla:

- luginat yu ronwan strength

- luginat najalot pipul strength.

Jingabat sambala hu strongbalawan.

Na raidimdan why yu rigin jat
persin strongbalawan.

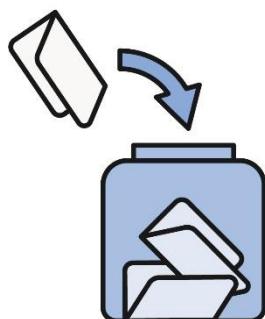

Yu gin jingabat if yundubala garim saimwan strength du.

If yu duimbat dijan actibiti gara tim, yu gin askim ich persin ba sheam stori ba wen dey bin filim strongbalawan.

Wen sambodi binij della yu der stori, alabat gin raidimdan wanim strength jat persin bin delim yu ba dem.

Den yu gin foldem yu papa en surremin na jat person jar.

Wen dijan actibiti binij, alabat wil abum papa from ebdribodi insaid na dey ronwan jar.

Actibiti 2 – Meigim gudbinji stori

Dijan actibiti gara tichem yuh hau bla jingabat miselp gudwei.

Yu gin stat by toktokbat na yu tim abat dey:

- gudwan thaut
- nogudwan thaut.

Den ich persin la yu tim gin raidimdaun samting gud ba der thaut.

Sabi laik:

'Ai gin duimgat dis idiya dumaji ai bin duim sam naja wan gudwei, leig ai bin binij skul rait thru en gibit sapot langa ala main fren.'

Wen dijan actibiti binijap, ebdribadi gara gudwan ting dey bin raidimdaun ba alabat.

Principle 5 – Keya ba misel en blanga yu komyuniti

A gudwan lida lukafta misel halth en seifdi.

Yu nomo gin album najalot pipul if yu not halthi en seif misel.

Wen yu lukafta misel, yu joim alabat dey gin lukafta misel lagajat du.

A gud lida meigim alabat seifwan du.

Dijan min kipum seif anlain du.

Actibiti 1 – Set boundaries

Dijan actibiti will album yu meigim **boundaries**.

Boundaries im rul we meigim ba:

- misel
- hau wi wandim pipul to tritim melabat.

Boundaries album yu:

- jingabat wanim yu nid fes
- joim naja pipul hau dey gara rispek yu nids du.

Sabi leig, yu bin dela yu femili yu nid res taim
wen yu bin kam bek bram wek bifo yu go duim
ala housewek.

Raidimdaun:

- wanim yu nid

- wanim yu boundary is ba meigim shuwa yu
sapot dijan nid

- hau yu gara delim alabat ba yu boundary.

Actibiti 2 – Keya ba misel

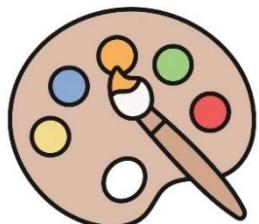

Dijan actibiti gara album yu jingabat wanim yu gin du ba lukafta misel.

Sabi laik:
