WWDA LEAD's 5 Leadership Principles lead by lifting others up.

0:06

Leadership that creates space for others to join and feel heard too.

0:11

Stop Think.

0:14

What happens when our identities, beliefs, hopes, and goals all come together

0:19

When everything clicks into place?

0:22

In these moments, we're powerful.

0:24

We're leaders fighting for change.

0:28

The world has a way to go.

0:30

Change may take time, maybe more than we liked.

0:35

The world may not even realise that it needs to change or acknowledge our experience of valid and valuable. People might try to make us the problem.

0:48

We are not the problem.

0:52

Society is the problem.

0:55

Barriers, inequities, myths and misconceptions.

1:01

These can make us doubt ourselves, doubt our potential and our ability to lead.

1:08

But look around, we are already leading.

1:13

Our community is here with you.

1:16

You can find other women, girls and non binary people with disability in all our diversity and strength.

1:25

Together we say we are here, we will not apologise for existing, listen to us, value our experience. Disabled
